Border Collie-Wendy Bedwell Wilson
2012-07-10 Celebrating the world's most intelligent purebred dog, the Border Collie--the star of every canine competition, from agility and obedience to herding and flyball-- this Smart Owner's Guide, created by the editors at Dog Fancy magazine, offers the most up-to-date and accurate information every dog owner needs to become a well-informed caregiver for his dog. Illustrated with color photographs of adorable puppies and handsome adults, this easy-to-read primer is designed in a modern, lively manner that readers will find user-friendly and entertaining. Each Smart Owner's Guide offers a description of the breed's character and physical conformation, historical overview, and its attributes as a companion dog. The reader will find informative chapters on everything he or she needs to know about acquiring, raising, and
training this remarkable purebred dog, including: finding a breeder and selecting a healthy, sound puppy; preparing for the puppy's homecoming, shopping for supplies, and puppy-proofing the home; house-training; veterinary and home health maintenance; feeding and nutrition; and grooming. Obedience training for basic cues (sit, stay, heel, come, etc.) and solving potential problem behaviors (barking, chewing, aggression, jumping up, etc.) are addressed in separate chapters, as are activities to enjoy with the dog, including showing, agility, therapy work, and more. Entertaining tidbits and smart advice fill up colorful sidebars in every chapter, which the editors call "It's a Fact," "Smart Tip," "Notable & Quotable," and "Did You Know?" Real-life heroes and rescue stories are retold in full-page features called "Pop Pups" and "True Tails." Recipes, training, and care tips are highlighted in the "Try This" feature pages. The Smart Owner's Guide series is the only series that offers readers an online component in which dog owners can join a breed-specific online club hosted by dogchannel.com. At Club Border, owners of the breed can find forums, blogs, and profiles to connect with other breed owners, as well as charts and checklists that can be downloaded. More than just 20,000 pages of solid information, there's a host of fun to be had at the club in the form of downloadable breed-specific e-cards, screensavers, games, and quizzes. The Resources section of the book includes contact information for breed-related organizations and rescues, as well as practical guidance on traveling with dogs, identification, and locating qualified professionals to assist the dog owner, such as pet sitters, trainers, and boarding facilities. This information-packed Smart Owner's Guide is fully indexed.

The Border Collie—Larry Slawson 2020-04-01
This eBook examines the lovable, highly-intelligent, and family-friendly Border Collie. It provides an analysis of the dog's behavioral patterns, characteristics, and unique traits.

Understanding Border Collies—Barbara Sykes 2012-05-01 The Border Collie is an extremely versatile breed, faithful enough to be a loyal friend, honest enough to be a hard worker and intelligent enough to be an asset in rescue and other services. This comprehensive, illustrated book gives essential advice on how to become the pack leader by understanding and interpreting the body language of man's best friend. Topics include: choosing your Border Collie; taking your puppy home; commonsense dog training; nutrition; creating a partnership; training, adolescent and older dogs.

Your Border Collie's Life—Kim Dearth 2012-09-26 Give Your Border Collie the Best Possible Care—for Life! As a caring Border Collie owner, you want the best for your pet. But you may not know all the special steps you need to take to raise a happy, healthy Border Collie. Your Border Collie's Life was written with one purpose in mind—to give you the most up-to-date information and guidance you need about the health, nutrition, training, and care of your dog. Reviewed by a nationally known veterinarian, this book shows you how to give your Border Collie the best life possible—whether you've just welcomed a new puppy into your family or adopted an older dog. Includes a special training section written by renowned training expert Liz Palika. Inside—What Every Border Collie owner wants to know: • Is a Border Collie the right dog for me? • How much exercise—and what kind—will keep my Border Collie happy? • Which training techniques work best with the intelligent Border Collie? • Can I prevent my Border Collie from herding children and pets? • How can I keep my Border Collie from being destructive when I'm not at home? • What is the best type of diet for my high-energy Border Collie?
Border Collie - Stephen Sussam 2011-09-27 This Comprehensive Owner's Guide to the Border Collie serves as a complete introduction to the dog that has been called the most intelligent breed on the planet. Also regarded as the most famous and hard-working sheepdog in the world, the Border Collie is no longer only seen on ranches and farms, but in pet lovers' homes in the country, city, and suburbs. In addition to being an affectionate family companion, the breed has proven to be a flawless obedience and agility dog, frequently besting all other breeds with its precision, speed, and determination in competitive sports. The book opens with a chapter on the breed's origins in the United Kingdom and its spread to the United States, followed by a chapter devoted to the characteristics of this exceptional herding dog, offering sound advice about which owners are best suited to this extremely active and demanding canine that always needs a job to do. New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with handsome adults and puppies bursting with energy and personality! In all, there are over 135 photographs in this compact and reliable volume. The author's advice on obedience training will help the reader better mold and train his over-achiever Border into the smartest and most well-mannered dog in the neighborhood. The extensive chapter on healthcare by Dr. Lowell Ackerman provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Other chapters discuss senior dog care, showing and competing, and solving behavior problems, including commonly encountered issues, such as separation anxiety, barking, digging, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical kennels, toxic plants, first
Sheepdog Training and Trials - Nij Vyas
2012-10-01 This comprehensive book describes innovative ways of training sheepdogs and addresses a number of subjects that have not been adequately covered in previous publications; such as working with sensitive dogs and dogs lacking in confidence, the 'square movement', and the 'concept of opposites'. Written by an acknowledged expert, Sheep Dog Training and Trials discusses in a variety of settings new concepts such as the author's theory of 'passive resistance' and the 'pressure on-off technique'. In addition, the author considers ways of optimizing a dog's health, energy, fitness and peak performance. This fascinating book presents contributions from four world-renowned handlers, including the twice world champion, Aled Owen, which examine the factors that have influenced them and made them successful.

Barbara Sykes' Training Border Collies - Barbara Sykes 2015-02-23 A new, practical guide to training your Border Collie, by esteemed trainer and author, Barbara Sykes. Drawing upon her popular 'Thinking Like Canines' (TLC) training method and other established approaches, Barbara Sykes' Training Border Collies is an essential resource for understanding and training this versatile and loyal breed. With step-by-step photography and training case studies throughout, the book covers: breed variants and temperaments; diet, puppy training and bringing new dogs home; simple commands, boundaries and socialization; the 'Chill Mat' - a safe territory to keep your collie calm; lead and recall training; rescue and problem dogs and, finally, common myths, facts and tips about the breed. This essential resource for all Border Collie owners, BC kennel clubs and trainers is fully illustrated with 150 colour step-by-step photographs.
The Complete Guide to Border Collies - David Anderson 2018-09-11

If you’ve ever seen a dog in a television commercial, there’s a pretty good chance it was a Border Collie. Or, if you’ve watched herding competitions, you’ve probably seen a Border Collie controlling the herd. First and foremost, Border Collies are sheep herders. But when they’re not on the clock, they can make excellent companions. They’re energetic, playful, and extremely intelligent. They’re also sensitive, affectionate, and adorable. Even though this breed is still vital to livestock owners, we will focus on the Border Collie as a pet in this book. Intelligence is perhaps the most prominent trait of the Border Collie. In the pasture, this dog can understand specific commands and respond accordingly. They also excel at obedience competitions and agility runs because they can pick up new skills quickly and respond to challenging commands. This book will give you the information you need to jump-start your ownership journey, including: Border Collie History Choosing a Border Collie Preparing your Home for your Border Collie Bringing Home your Border Collie Being a Puppy Parent Housetraining Socializing with People and Animals Border Collies and Your Other Pets Physical and Mental Exercise Training your Border Collie Basic Commands Dealing With Unwanted Behaviors Traveling with Border Collies Nutrition Grooming your Border Collie Basic Health Care Advanced Border Collie Health and Aging Dog Care This book will become your go-to guide throughout your BC’s life, as it has helpful hints and reminders that will prove to be practical far into their adulthood. Border Collies are an absolute joy to have as pets. These dogs are beautiful, intelligent, and silly. They love to test their owners and call the shots, but at the end of the day, they’re capable of following orders. You’ll never find another dog quite like them, as they’re capable of running around one minute and snuggling up beside you the next. All your Border Collie wants is a purpose. While they may drive you nuts when they’re bored, it’s amazing to watch them work. Whether your Border Collie’s “job” is to tend livestock, chase
the rabbits and birds from your garden, or just be a loving companion, you’ll find that your Border Collie will do anything for the love and affection with which you pay them.

2020-05-24 Border Collie Training - Dog Training for your Border Collie puppy The training of dogs is often... confused with classical dog training drills... only considered necessary for demanding dogs... mocked by other dog owners... replaced by anti-authoritarian methods... considered too difficult to achieve without experience. What constitutes dog training and what is it good for? And how can you and your Border Collie profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is “normal” for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your Border Collie will show characteristics which are different to those of a Pug, for example, and this is predominantly what you need to consider during training. This book is vol. 2 of the Border Collie training books. Vol. 1 for you Border Collie puppy is also available with the title "Border Collie puppy is also available with the title "Border Collie Training Vol. 2: Dog Training for your grown-up Border Collie" Author Claudia Kaiser says about her book: “It was my desire to let other dog owners profit from the knowledge I have gained over many years, and after making many mistakes. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship.” Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step
instructions and secret tips which are tailor-made for your Border Collie. Get your copy of this book today and experience... ... how your Border Collie sees his world ... and how you can progressively train your dog to receive the best results. Your Border Collie will appreciate it... ... so this is my advice: Don't hesitate to buy this book! The Happy Border Collie - Asia Moore
2020-04-19 What reviewers are saying: "This book is a must-have brilliant guide. I found everything I needed to know as a first-time owner of a Border Collie. Comprehensive, step-by-step guidance on how to bring up my puppy, kudos to the author." J. Taylor - Chicago - US "What an amazing book, best money ever spent. I really love my 5 year old Collie and always looking for new ways to improve out life together. Loved the fact that this handbook focuses on my dog's happiness and gave me easy to follow steps to improve his well-being. Highly recommended.", Ms Mary Milton - Middlesex - UK "I have many books on Border Collies, but this is the only one that shows specifically how to make your dog happier and problem-free in a proactive way. Followed the tips and techniques described in this handbook and our new puppy seems absolutely content and settled-in after just two weeks. Now I know everything I need to raise my pup properly and make his days happy.", Francis Jones - Ohio - US "This is an excellent book for both first-time and experienced owners. As a veterinarian and a Border Collie owner, I found this book to be extremely informative and well-written. You will find all the information you need to raise a healthy, happy and problem-free Collie. I will be recommending it wholeheartedly to my Collie owners customers.", Helen White - New Jersey - US Looking for daily practical tips and advice on
how to help your puppy develop into a Happy and Well-behaved dog? Wanting to start off on the right foot and avoid dog-behavior professionals for life? Chaser—John W. Pilley 2013-10-29 A New York Times Bestseller "The most scientifically important dog in over a century." —Brian Hare

Chaser has fascinated dog lovers and scientists alike. Her story reveals the potential for taking out dialogue with dogs well beyond "fetch." When retired psychology professor John Pilley first got his new Border collie puppy, Chaser, he wanted to explore the boundaries of language learning and communication between humans and man's best friend. Exhibiting intelligence previously thought impossible in dogs, Chaser soon learned the names of more than a thousand toys and sentences with multiple elements of grammar. Chaser's accomplishments are revolutionizing the way we think about the intelligence of animals. John and Chaser's inspiring journey demonstrates the power of learning through play and opens our eyes to the boundless potential in the animals we love.

Eminent Dogs, Dangerous Men—Donald McCaig 2014-07-15 The bestselling author of Nop’s Trials presents the true story of his search for the perfect sheepdog In April of 1988, Donald McCaig traveled to Scotland to buy a young, well-bred female sheepdog to raise and train for use on his three-hundred-acre Virginia farm. He knew exactly what he wanted: a Scottish border collie, considered the best sheepdog in the world because the breed is hardworking, smart, strong, and fast, with unique personalities. McCaig attends dog trials and meets numerous trainers, fellow shepherds, and top handlers before he finally finds Gael. From his heartfelt prayers that Gael will pass her eye exam to his faithful sheepdog Pip’s reaction to the new bitch on the farm, Eminent Dogs, Dangerous Men chronicles McCaig’s journey through the Scottish highlands, where border collies have been bred since the seventeenth century, and illuminates the ennobling bond between humans and dogs. This ebook contains sixteen pages of photos.

**TEACH YOUR HERDING BREED TO BE A GREAT COMPANION DOG - FROM OBSESSIVE TO OUTSTANDING** - Dawn Antoniak-Mitchell 2015-06-15

Help! He’s herding the neighborhood kids!!

Herding breed dogs such as Border Collies, Corgis, and Australian Shepherds have incredibly strong instinctive behaviors to do the work they were bred for—controlling various kinds of livestock. These behaviors manifest themselves in modern herding breed dogs kept as companions or family pets in a number of ways. These include chasing cars and bicyclists, herding kids, nipping at vulnerable heels, barking incessantly, and acting as the “fun police” in dog parks. All behaviors that are entirely appropriate and necessary when dealing with sheep or cattle, not so great in a suburban neighborhood. Fortunately, these instincts can be redirected in a number of ways that keep these energetic dogs busy and happy as well as out of trouble. That is why so many of these dogs can be taught to excel in agility and obedience trials, love to retrieve, and make great running companions. In her latest book, author Dawn Antoniak-Mitchell offers solutions to solving and preventing problem behaviors associated with herding breeds living in the modern world. And no, even though your Border Collie or Corgi might love it, you don’t need to buy a farm!

As the owner of two obsessive but outstanding...
herding dogs, I found myself nodding along in agreement with this book from start to finish. Dawn offers tips to allow a handler to work with, rather than against a dog’s herding instincts and her easy-to-read writing style and the depth of information she shares makes this book a must read for anyone who works or lives with herding dogs.

Nicole Larocco-Skeehan, CPDT-KA and member of the Board of Directors, CCPDT

A super resource that explains how instinctive behaviors impact dogs in their every day activities. I especially like the training tips—very clear and helpful explanations to manage problems often brought out by a variety of herding instincts.

Lynn Leach, owner of Downriver Stock Dog Training and creator of the popular All Breed Herding DVD series

A wonderful mix of training information, management suggestions, psychology, and commonsense advice for herding dog owners.

Easy to read and filled with gems of information for all dog owners—like eliminating annoying barking! I highly recommend this book for trainers and owners of any breed of dog.

Gail Tamases Fisher, CDBC and author of The Thinking Dog

If you have chosen to bring a herding breed in to your life and home this is the book for you! Dawn takes the reader through the history of herding breeds in order to help you understand the why behind some of the obsessive-compulsive behaviors your herding breed may be exhibiting. Better yet, Dawn then offers up specific exercises and training techniques to help herding breed owners become as valuable as livestock in the eyes of their herding dog. You owe it to your herding breed to read this book!

Understanding the Border Collie - Carol Price
2002 The Border Collie is one of Britain's oldest strains of dog, bred to herd livestock. Despite its appealing qualities, it does not slip effortlessly into becoming a family pet, and accounts for
almost half of all abandoned dogs in Britain. This text provides advice on how to choose your dog - whether a puppy or rescue collie - and how to rear, feed and train it.

Sheep - Valerie Hobbs 2009-04-27 The sheep closed in around him like a big, woolly blanket. The puppy had never been so scared or so excited in his life. Soon he was racing, feinting, dodging – learning what it means to be one of the proud breed of Border collies, the finest sheepherders in the world. Then, almost overnight, his life is turned upside down. He finds himself in a series of strange places, with no sheep, his family gone. With nothing but the courage he was born with and a dream, he searches for the life he once knew, gathering names and adventures as he goes. For a short time, he's called Blackie. To the Goat Man, he's Shep. To Hollerin, he's Spot. There's one name that threatens to forever haunt him – Sparky, the name Billy the circus man calls him when he reaches for the whip. But there's another name that he is given, one that finally makes him feel at home . . . Known for her rich character development, the author brings all her skills to delving into the mind of a clever, philosophical, and hopeful dog searching for a home.
